Work Experience/Projects

MAR-2023	iNoteBook	Project
	iNotebook is a learning project focused on developing proficiency in the MERN stack. Through this project, I gained valuable experience in database design, server-side scripting, client-side programming, and API integration. The iNotebook project helped me develop strong technical skills in the MERN stack. [MongoDB, Express.js, React.js, and Node.js]	
DEC-2022	Web Page - News website	Project
	Learning project - Provided a free news on your tip of hand using Api from NewsApi.com. [React Js, API]	
MAY-2022	Money manager	Project
	Learning project - Compile expenditure and earning data in a database and display investment according to a plan chosen by the user [Java, DBMS]	

Achievements/Certifications

FEB-2019	International mathematics Olympiad	IMO
	Secured an State rank of 132 with 8 rank in city in 12th IMO conducted by Science Olympiad Foundation.	

Extra Curricular Activities

FEB 2023-PRESENT	WebTeam member - Game To Aim	GTA
	As a web team member at Gate to Aim Club, I contributed to the development of innovative games and inspired users to unleash their creativity. My skills in web development, project management, and team collaboration were strengthened through this experience.	
2022-2023	Management team	Inovision
	I have volunteer for the tech Fest of the Institute, where my responsibilities included	
2022-2023	National Service Scheme	NSS
	I have been part of the youth organization and attended several camps that aim to develop character, comradeship, discipline, leadership, secular outlook, and ideals of selfless service.
